## General Rules of the PCH MEETINGS Convention

#### 1 • ORGANISATION

The PCH Meetings 2010 convention is organized by ADHESION GROUP, a business corporation with a capital of €300,000, having its registered office at 35-37 rue des Abondances - 92513 Boulogne Cedex - France.

#### 2 • Purpose

The present rules define the conditions of ADHESION GROUP's organisation and running of the convention. They specify the respective duties and rights of the participant and the organiser. The participant expressly undertakes to comply with these rules.

#### 3 • VENUE AND DATES

The PCH Meetings 2010 convention will take place on 24 & 25 march 2010 in Lyon. In the event that the scheduled venue cannot be used due to force majeure, the organiser may change the venue or postpone the date thereof. The organiser may cancel the operation after informing the participant of such a decision, in which case the present application to attend will therefore be terminated automatically, without any compensation for the participant, except for the reimbursement of registration fees paid.

#### 4 • ADMISSION, REGISTRATION, PAYMENT

To be valid, registrations must be done by means of the official application form. The Organisation reserves the right to refuse any application for any reason whatsoever, and without the need to justify its decision. The application to attend PCH Meetings 2010 is final and irrevocable. In the event of withdrawal, irrespective of the date thereof, and for any reason whatsoever, the signatory of the application shall remain liable for all participation fees. The participation fees must be settled upon receipt of the invoice. In the event of failure to pay on the due date, the present registration shall be terminated automatically, and the signatory hereof shall nonetheless owe said payment to ADHESION GROUP.

#### 5 • BUSINESS RULES

Participants may not assign all or any part of the services offered by the PCH Meetings 2010 convention to another company, without the prior permission of the organisers. The participant expressly agrees not to carry out, outside the venue of the convention, any activity similar to the activities carried out at the convention, throughout the duration thereof.

#### 6 • INSURANCE

ADHESION GROUP is civilly liable in its capacity as the organiser of PCH Meetings 2010. Such liability shall not, on any account, extend to damage caused by third parties to participants. The convention centre is civilly liable for the permanent or temporary buildings and facilities used for the convention in its capacity as owner thereof, and for the running of the companies and activities it directly manages as well as all independent companies. The participant must have personal third party liability insurance and shall be liable for any damage caused to a third party, either by the participant, or its staff or facilities. The participant must have an insurance policy covering its own equipment or the goods entrusted or provided thereto at the convention.

#### 7 • ENFORCEMENT OF THE RULES

The organiser is entitled to decide on all cases not provided for in these rules, and to make any changes or additions required for their prompt enforcement. The memoranda subsequently sent to the participants form an integral part of these rules. Any breach of these rules may result in the exclusion of the offending participant, at the sole discretion of ADHESION GROUP, without prior notice or reimbursement of the participation fees or any sums paid thereby which will be retained by the organiser.

#### 8 • JURISDICTION

By signing their application form, participants unconditionally agree with the clauses of the present rules, and only the French version hereof shall be deemed authentic. In the event of a dispute, and prior to any proceedings, the participant undertakes to submit its claim to the general commission. In the event of a dispute, the courts in the town of the ADHESION GROUP head office shall have sole jurisdiction.
