

**PCH Meetings 2010**  
**Updated List of the Registered contractors**

**AIR LIQUIDE (GRANDE INDUSTRIE CENTRALE DE FEYZIN)**

Project manager / Systems expert

Chemicals and air gases

**ARKEMA**

Head of Pilot Division at the CRDE

Industrial Process Development & Acrylic Derivate Manufacturing

**ARKEMA PIERRE BENITE**

Process Engineer

Basic and specialist products for the chemical industry

**BASF BEAUTY CARE SOLUTIONS France**

Technical Director

Raw materials for the cosmetics industry

**BIOMERIEUX**

Project Manager

Manufacture of diagnostic reagents.

**BIONACTIS (EX IMMORAN)**

CEO

Creation of a Pharmaceutical Production plant on the Cote d'Or (FRANCE).

**BLUESTAR SILICONES**

Process Engineer

Rhodia Silicones manufactures and markets the full range of silicon products, from chlorosilicons to end products such as mastics...

**CONDAT**

New Works Manager

Chemical Industry (Lubricants)

**COSMEVA**

Production Manager

Manufacture of perfumes and toiletries

**CRODA**

Quality Engineer

Ethylene and propylene oxide derivatives for a wide number of trades (pharmaceuticals, brake fluid, everything except paints)

**DSM FOOD SPECIALITIES FRANCE SAS**

Design Office and New Works Manager

Manufacture of enzymes by fermentation based on extraction, filtration and concentration

**AJINOMOTO SWEET NURSE EUROPE**

Environment Quality System

Manufacture of aspartame for reduced calorie products

**ARKEMA PIERRE BENITE**

Research Engineer

Basic and specialist products for the chemical industry

**BASF AGRI PRODUCTION SAS**

Production, Maintenance and New Works Manager

Site where plant health products are formulated (in particular fungicides)

**BIOMERIEUX**

Purchase, Investment and maintenance Manager

Manufacture of instruments, reagents and software for in vitro diagnostic systems.

**BIOMERIEUX**

Technical Engineer

Manufacture of instruments, reagents and software for in vitro diagnostic systems.

**BIOPHELIA PRODUCTIONS PHARMACEUTIQUES**

Industrial development manager

Manufacturing of pharmaceutical products

**BLUESTAR SILICONES**

Project Manager - Process Manager

Manufacture of other basic organic chemicals

**CONDAT**

New Works Director

Chemical Industry (Lubricants)

**CRAY VALLEY SA**

Maintenance and New Works Manager

Chemical research laboratory

**DISTILLERIE JEAN GOYARD**

Technical manager

Production of natural eaux de vie

**EDEC**

General Manager, Head pharmacist

Pharmaceutical Laboratory

**PCH Meetings 2010**  
**Updated List of the Registered contractors**

**EQUIPEMENT SCIENTIFIQUE INDUSTRIEL**

**Manager**

Traitement des eaux process et usées. Bureau d'études impact sur l'environnement et dépollution des eaux. Importateur et distributeur produits et équipements de traitement des eaux, produits chimiques laboratoire et industries diverses.

**EUROCHEM**

**Purchasing Manager / Business Development**

Suppliers of active ingredients

**FAMAR LYON**

**Head of Project**

Unit production of drugs

**IDEAL**

**Head of management**

Manufacture and packaging of dyes in powder and liquid form

**IFP**

**Design Office Manager**

Oil Research & Development Center

**INS**

**Production Manager**

Research and development into metalworking surface treatments

**LABORATOIRE AGUETTANT**

**Maintenance Manager**

Manufacture of pharmaceutical products

**LABORATOIRE UNIMED**

**CEO**

Laboratoires UNIMED develop and manufacture two principal areas of drugs intended for human use: Generic drugs and custom drugs.

**LABORATOIRES KART SA**

**CEO**

Personal well being products, working with the most prestigious labels in Europe.

**LABORATOIRES PHILIPPE DAVIOUD**

**General Manager**

Research & Development of pharmaceutical powders

**LABORATOIRES URGO**

**Purchaser**

Household medicines and antiseptic healing creams

**EURACLI**

**Research and Development Engineer**

Textiles and cosmetics printing

**EUROPHARTECH**

**New Works and Technical Manager**

Manufacturing and Packaging of Drugs for Human and Veterinary use. (sub-contractor).

**HUNTSMAN ADVANCED MATERIALS (SWITZERLAND) SARL**

**Automation and Electrical engineer**

Manufacturing of chemical products

**IDEAL**

**Maintenance Manager**

Manufacture and packaging of dyes in powder and liquid form

**INDUSTRIES MEDICO - CHIRURGICALES**

**Pharmacist Technical Manager**

Pharmaceutical products – Manufacturing of consumables and Massive Solution; Maintenance of Dialyzers; Concentrate for Dialysis.

**ISOCHEM**

**Industrial and HSE (Hygiene, Safety and Environment) Director**

Chemical products (Manufacture, wholesale)

**LABORATOIRE UNIMED**

**Technical Director**

Laboratoires UNIMED develop and manufacture two principal areas of drugs intended for human use: Generic drugs and custom drugs.

**LABORATOIRES BESINS (BELGIQUE)**

**Technical Manager**

Hormone based hydroalcoholic gel Making

**LABORATOIRES MERCK SHARP & DOHME CHIBRET (ST GERMAIN LAPRADE)**

**Design Office Manager**

Pharmaceutical fine chemicals

**LABORATOIRES SARBEQ**

**General Manager**

Manufacture of perfumes and toiletries

**PCH Meetings 2010**  
**Updated List of the Registered contractors**

**LACROIX DEFENSE ET SECURITE**

**Chemical Engineering Engineer**

Designer and manufacturer of pyrotechnics for the defence and civilian sectors

**LACROIX DEFENSE ET SECURITE**

**Industrialization and Methods Manager**

Designer and manufacturer of pyrotechnics for the defence and civilian sectors

**MERCK SANTE (MEYZIEU)**

**Chemical Production Manager**

Management of chemical production of pharmaceutical active ingredients. Project management (process transfer, chemical engineering, etc.).

**MERIAL**

**Corporate Engineering Quality Assurance Manager**

Vaccines

**MERIAL**

**Industrial Manager**

Manufacturing of pharmaceutical products

**MILLENNIUM INORGANIC CHEMICALS (THANN)**

**Senior Purchaser**

Manufacture of titanium oxide

**NESTLE FRANCE**

**Process and New Works Technical Manager**

Food Industries

**ORPHACHEM SAS**

**Operators Director**

Custom synthesis: pharmaceutical and chemical industry

**PETRONAPhte**

**Research and development Manager**

Production and distribution of ancillaries and lubricants for industrial use

**ROQUETTE FRERES**

**Draft Project Manager in the Industrial Development Division**

Manufacture of food ingredients and additives.

**SANOFI AVENTIS (ROMAINVILLE)**

**Departmental Manager, Romainville Production Centre**

Manufacturing of pharmaceutical products

**SANOFI AVENTIS (SITE DE NEUVILLE SUR SAONE)**

**Design office project manager**

Manufacturing of pharmaceutical products

**LACROIX DEFENSE ET SECURITE**

**Industrialization and Methods Engineer**

Designer and manufacturer of pyrotechnics for the defence and civilian sectors

**LMA SRL**

**Manager**

Mechanical machining for the aerospace industry

**MERCK SERONO (SWITZERLAND)**

**Technical Manager**

Manufacture of active ingredients by a biotechnological process. Sterile injectable filling and packaging of drugs.

**MERIAL**

**QA project support**

Production of veterinary drugs and vaccines

**METAUX SPECIAUX - MSSA**

**Purchasing Manager**

Production of sodium and derivatives

**MINAKEM**

**Purchaser**

Chemicals (fine and heavy), plastics

**OM PHARMA**

**Technical and Engineering Manager**

Production of drugs (biotechnology production)

**PCAS**

**New Works and Design Office engineer**

Manufacture of pharmaceutical products

**PIERRE FABRE MEDICAMENT PLANTES INDUSTRIE**

**Process Engineer**

Production of raw materials and active ingredients for pharmaceuticals and cosmetics.

**ROQUETTE FRERES**

**R&D Pre-Programme Manager (Industrial Development Division)**

Manufacture of food ingredients and additives.

**SANOFI AVENTIS (SITE DE NEUVILLE SUR SAONE)**

**Purchaser**

Manufacture of (pharmaceutical) active ingredients

**SANOFI AVENTIS (SITE DE NEUVILLE SUR SAONE)**

**Industrial Purchasing Manager : Process Equipment, Environment, Environmental Engineering**

Chemical and Pharmaceutical Production and Development

**PCH Meetings 2010**  
**Updated List of the Registered contractors**

**SANOPI PASTEUR (MARCY L'ETOILE)**

Technology Platform Assistant Manager (Engineering & Industrial Technology Department)

Production of vaccines

**SANOPI PASTEUR (MARCY L'ETOILE)**

Process Engineering Manager

Manufacturing of pharmaceutical products

**SANOPI PASTEUR (MARCY L'ETOILE)**

Engineering Head of Projects

Production of vaccines

**SFEC**

Manager

Water treatment

**SIMUTEC TECHNOLOGIES**

Consultant

Industrial investment consultants for international companies.

**SNPE MATÉRIAUX ENERGÉTIQUES**

Industrial Risks Manager

Space Industry

**SOLIDES DIVISES TECHNOLOGIES (SDTECH)**

Quality Manager - Research & Development

Grinding services - Recommendation of equipment  
Micronisation of powders (we have our own plant).

**SPONTEX SNC**

Research Engineer

Manufacture and distribution of cleaning products

**SYNGENTA (MONTHEY - SWITZERLAND)**

Regional Procurement Manager for Capital Projects

Agrochemicals; manufacture of crop protection products

**SYNKEM**

Kilo Lab Manager

Production of intermediary products and active ingredients intended for pharmaceutical use

**TOTAL FRANCE (RAFFINERIE DE FEYZIN)**

Head of projects

Oil Refinery

**UCB PHARMA**

Associate Director Site Project Portfolio Management

Pharmaceutical products

**SANOPI PASTEUR (MARCY L'ETOILE)**

Technological Platform Manager

Production of vaccines

**SANOPI PASTEUR (MARCY L'ETOILE)**

Manager of the Instrumentation Pole, Electricity, Automatism (part of the Engineering Department)

Production of vaccines

**SANOPI WINTROP INDUSTRIE (MAISON ALFORT)**

New Works Manager / Master schedule

Pharmaceutical production of sterile products

**SIMUTEC TECHNOLOGIES**

Director

Industrial investment consultants

**SKYEPHARMA PRODUCTION SAS**

Technical Manager and Lean Manufacturing

Oral Solid Doses

**SOCIETE DE DEPOT DE SAINT PRIEST**

Terminal Director

Storage of bulk liquid petroleum products on behalf of clients

**SOLIDES DIVISES TECHNOLOGIES (SDTECH)**

CEO

Grinding services - Recommendation of equipment  
Micronisation of powders (we have our own plant).

**SYNGENTA (MONTHEY - SWITZERLAND)**

Project Manager

Agrochemicals; manufacture of crop protection products

**SYNGENTA PRODUCTION FRANCE USINE D'AIGUES VIVES**

Laboratory Manager

Manufacture of agrochemical products

**THERABEL INDUSTRIES**

Maintenance Technician

Manufacture and packaging of pharmaceuticals (dry forms)

**TOTAL LUBRIFIANT SERVICE ANAC**

ANAC (analysis compared) Manager

Used oil analysis

**PCH Meetings 2010  
Updated List of the Registered contractors**
