Thierry GIROUX, *Business Development*, **PROSCON Process Technology Solutions**

4 :30pm – 5 :30pm Innovative tools and services to combat energy overpricing
Patrizio PIASENTIN, *Managing Director*, **ACTEL**
Patrick BOISTELLE, *Managing Director*, **PB ENERGIE**

Thursday 25 March 2010

9:30-10am Feedback on the risk management bow tie approach to deal with a loss of containment

Marthe MAUNOURRI, *Development and Projects Manager*, **APSYS EADS**

10am - 10:30am Identifying and managing risks in pharmaceutical projects

Gilles TOLY, *Manager*, **CHANGE ET TRANSITION**

10:30am - 11am Continuous online measurement of fouling phenomena

Innovation in industrial process measurement

Laurent AURET, *Founder & DMD*, **NEOSENS**

Thierry BRISARD, *CEO*, **NEOSENS**

11am - 11:30am Determining the critical potential of molecules under development

Jérôme COUTEAU, *Founder*, **TOXEM - Environmental and medical toxicology**

11:30am - 12noon EUREKA Industries is set to revolutionise ATEX Training

Presentation by a representative from EUREKA Group Industries, **EUREKA Industries**
