PCH Meetings

PCH Meetings 2019

How does it work?

- 1** Fill out a short form and provide us with capabilities, applications and needs.
- 2** Access detailed profiles of all the attendees from our online catalogue (3 weeks prior to the show).
- 3** Identify and request meetings with relevant contacts through our user friendly program.
- 4** Go online and consult your individual schedule of pre-planned meetings with the contacts of your choice.

Conferences:

(18 conferences during 2 days)

Put together and geared toward the subjects that you have passed on to us, the conferences are presented by professionals both (suppliers and decision makers) and aims to help you polish up on important subjects and to exchange with your counterparts.

French exhibitors and industrialists will also present conferences on the issues of technique, innovation and regulation.

Would you like to share your experience with your counterparts?
